

PRACTICE ITEM 1

Please enter your full name: Diya Jain

Please select the practice item: 1

Please convert 220 to unsigned 8 - bit binary representation : 11011100

Exellent!

Continue? (y/n): y

Please convert 87 to unsigned 8 - bit binary representation : 01010111

Exellent!

Continue? (y/n): y

Please convert 196 to unsigned 8 - bit binary representation : 11000100

Exellent!

Continue? (y/n): y

Please convert 181 to unsigned 8 - bit binary representation : 10110101

Exellent!

Continue? (y/n): y

Please convert 213 to unsigned 8 - bit binary representation : 11010101

Exellent!

Continue? (y/n): y

Please convert 13 to unsigned 8 - bit binary representation : 00001101

Exellent!

Continue? (y/n): n

Name: Diya Jain

You have completed 6 conversions of unsigned decimal integers to binary.

You have done 6 correctly.

PRACTICE ITEM 2

Please select the practice item: 2

Please convert 00101011 to unsigned decimal representation: 43

Exellent!

Continue? (y/n): y

Please convert 00011110 to unsigned decimal representation: 30

Exellent!

Continue? (y/n): y

Please convert 01101100 to unsigned decimal representation: 108

Exellent!

Continue? (y/n): y

Please convert 00100001 to unsigned decimal representation: 33

Exellent!

Continue? (y/n): y

Please convert 01001110 to unsigned decimal representation: 78

Exellent!

Continue? (y/n): y

Please convert 00100101 to unsigned decimal representation: 37

Exellent!

Continue? (y/n): n

Name: Diya Jain

You have completed 6 conversions of unsigned Binary to decimal.

You have done 6 correctly.

PRACTICE ITEM 3

Please select the practice item: 3

Please convert 147 to unsigned octal representation : 223

Exellent!

Continue? (y/n): y

Please convert 49 to unsigned octal representation : 61

Exellent!

Continue? (y/n): y

Please convert 250 to unsigned octal representation : 372

Exellent!

Continue? (y/n): y

Please convert 118 to unsigned octal representation : 166

Exellent!

Continue? (y/n): y

Please convert 150 to unsigned octal representation : 226

Exellent!

Continue? (y/n): y

Please convert 117 to unsigned octal representation : 165

Exellent!

Continue? (y/n): n

Name: Diya Jain

You have completed 6 conversions of unsigned decimal integers to octal.

You have done 6 correctly.

Another practice? (y/n): ☐

PRACTICE ITEM 4

Please select the practice item: 4

Please convert 17475 to unsigned decimal representation: 7997

Excellent!

Continue? (y/n): y

Please convert 54603 to unsigned decimal representation: 22915

Excellent!

Continue? (y/n): y

Please convert 27635 to unsigned decimal representation: 12189

Excellent!

Continue? (y/n): y

Please convert 16040 to unsigned decimal representation: 7200

Excellent!

Continue? (y/n): y

Please convert 31754 to unsigned decimal representation: 13292

Excellent!

Continue? (y/n): y

Please convert 11523 to unsigned decimal representation: 4947

Excellent!

Continue? (y/n): n

Name: Diya Jain

You have completed 6 conversions of unsigned Octal to decimal.

You have done 6 correctly.

Another practice? (y/n): ☐

PRACTICE ITEM 5

Please select the practice item: 5

Please convert 220 to unsigned hexadecimal representation: DC

Exellent!

Continue? (y/n): y

Please convert 90 to unsigned hexadecimal representation: 5A

Exellent!

Continue? (y/n): y

Please convert 220 to unsigned hexadecimal representation: DC

Exellent!

Continue? (y/n): y

Please convert 184 to unsigned hexadecimal representation: B8

Exellent!

Continue? (y/n): y

Please convert 244 to unsigned hexadecimal representation: F4

Exellent!

Continue? (y/n): y

Please convert 37 to unsigned hexadecimal representation: 25

Exellent!

Continue? (y/n): n

Name: Diya Jain

You have completed 6 conversions of unsigned decimal integers to hexadecimal.
You have done 6 correctly.

Another practice? (y/n): ☐

PRACTICE ITEM 6

Please select the practice item: 6

Please convert 876A to unsigned decimal representation: 34666

Exellent!

Continue? (y/n): y

Please convert 2D47 to unsigned decimal representation: 11591

Exellent!

Continue? (y/n): y

Please convert AE14 to unsigned decimal representation: 44564

Exellent!

Continue? (y/n): y

Please convert 71D8 to unsigned decimal representation: 29144

Exellent!

Continue? (y/n): y

Please convert 5B50 to unsigned decimal representation: 23376

Exellent!

Continue? (y/n): y

Please convert D456 to unsigned decimal representation: 54358

Exellent!

Continue? (y/n): n

Name: Diya Jain

You have completed 6 conversions of unsigned Hexdecimal to decimal.

You have done 6 correctly.

Another practice? (y/n): ☐
